

OLEKSANDR TKACHENKO

FULL STACK DEVELOPER

SUMMARY

I am Full Stack Developer with a solid understanding of HTML, CSS, JavaScript and React. I have experience working on team projects and specialize in creating visually appealing and user-friendly web applications, while also writing efficient code in JavaScript. My passion for innovation motivates me to constantly expand my skillset and explore new technologies. I am a quick learner with strong attention to detail, and I am excited to join a team where I can continue to develop both personally and professionally and make meaningful contributions to project success.
